more info

After submitting your qualified, completed application, you should receive your rebate check within six weeks. Please make sure to fill out all the information, as incomplete applications may cause delays.

REBATE REQUIREMENTS

- Customer must not have an existing maintenance contract.
- Rebate is available once every 24 months.
- Rebate available to customers who have preventative service completed by a qualified HVAC contractor.
- Tune-up cannot be claimed as part of a new furnace install.
- Tune-up must include the following: ensure thermostat working properly (pre and post); clean safety controls (adjust as needed); clean burners and controls; clean pilot assembly and ensure proper function; adjust burner for efficiency; ensure belts, filter and flue are clean/intact with no blockages; lubricate any moving parts; verify no gas leaks present; ensure dampers are on heating position; check overall performance and efficiency of system.
